

## **REMARKS**

Applicant has carefully considered the examiner's comments in the Advisory Action and has completely redrafted all of the claims to eliminate the problems noted while taking into account the examiner's indication that cancelled claims 7 and 8 define allowable subject matter.

Further, a Request for Continued Examination and the required fee are presented in order to provide an opportunity to consider the redrafted claims, favorable consideration of which is respectfully requested.

Further, the priority document is also presented herewith.

Respectfully submitted
